ADOPT-a-PROJECT MENU

<u>2008 Prices</u>	<u>PROJECT DESCRIPTION</u>
\$12,000.00	Build One Classroom: Have your company or organization's name and your own unique message to Bompehtoke's children engraved on a plaque at the classroom door. 6 classrooms needed
\$15,000.00	One (1) New Well: Provide clean, safe drinking water for the school. The water will be pumped to an elevated holding tank where it will be gravity-fed to outdoor faucets so that the children can have clean water for drinking and washing their hands as they learn about sanitation and personal hygiene. Eight (8) Latrines: Ensure a clean environment while teaching about personal hygiene and sanitation.
\$2,000.00	Furniture for One (1) Classroom: Purchase materials to build wooden tables, benches, desks, chairs, and shelves for six (6) classrooms.
\$15,000.00	School Library: This will be the very first library in Bompehtoke. Have your company or organization's name and your own message to the children engraved at the library door.
\$5,000.00	Book Corner for Each Classroom: Six (6) classrooms – one each needed. Donations will provide an enclosed book closet and classroom textbooks.
\$25,000.00	4x4 Utility Vehicle: Facilitate travel and transport supplies among the six villages and between Freetown and the villages.
\$10,000.00	Generators: Four (4) – to provide electricity in the school and community center.
\$7,500.00	Computers: Fifteen (15) – for use in classrooms, offices, and community center.
